

Did you know that you can help keep Lewisville beautiful by donating just a few dollars a month on your water bill? Keep Lewisville Beautiful (KLB) is a community based 501c3 non-profit organization that works to improve our local environment, raise awareness, encourage environmental stewardship, educate the community, and provides volunteer opportunities for residents like yourself to get involved to make Lewisville a better place to live, work, and play. For 30 years, KLB has worked to empower the citizens of Lewisville to make a difference in their community. And what a difference we have made!

Annually, KLB engages more than 4,800 volunteers who help to remove 30+ TONS of trash from the community. Your donation helps remove trash from local streets, parks, and waterways, plants trees and wildflowers, and creates environmental educational opportunities for youth in our community.

**Are you ready to help make a difference too?**

**Fill out the form below and return with your water bill payment**

**YES!**

I want to participate in the Keep Lewisville Beautiful water bill contribution program. I understand that my contribution will be automatically deducted monthly for one year unless I choose to discontinue the contribution by calling customer service at **972-219-3440**.
